B. CURRENT SITUATION

Solomon Island remains COVID-19 FREE to date. The Government remains committed to implementing strict measures to prevent the importation and potential spread of COVID-19 within its borders.

Solomon Islands through RSIPF continue manning our Western border with Papua New Guinea given the potential high-risk area of importation of COVID-19 through this border.

The initial major repatriation occurred in May with two repatriation flights on the 26th and 27th May 2020. The second major repatriation flights occurred this Tuesday 30th June and Wednesday 1st July 2020. All are undergoing mandatory quarantine for 14 days with compulsory COVID-19 testing whilst in Quarantine Stations.

The Government has a total of ten (10) Quarantine Stations in operational in the country. Nine (9) are in Honiara whilst one (1) is in Gizo, Western Province. The provision for the Qs are stated in Emergency Powers (COVID-19) (Declaration of Quarantine Stations) (Amendment) (No.3) Order 2020.

Essential cargo flights are also being done on need- basis to support COVID-19 operations. International trade continue with Honiara and Noro operating with strict measures in place for all incoming foreign vessels.

On-going responses by N-DOC Sector Committees continue based on the Preparedness and Response Plan for COVID-19. These sector responses have been extended to provinces including coordination through the Provincial Disaster Management arrangements.

C. SOLOMON ISLANDS GOVERNMENT RESPONSE

- Oversight Committee established by Cabinet to provide strategic direction on a whole-of-government planning and response to COVID-19 continues to meet on a regular basis to discuss relevant measures.
- The **State of Public Emergency** declared on the 25th March 2020 extended to another four months as of Wednesday 08th April 2020 is still enforced.
- N-DOC Sector Committees are implementing activities under COVID-19 Preparedness and Response Plans (PRP) with the focus on broader socio-economic impacts at both the national and provincial levels.
- N-DOC Health Sector Committee is leading the health aspect of COVID-19 with broader coordination through the N-DOC arrangements.
- N-DOC Camp Management Sector Committee continues to manage Quarantine Stations
- Restriction on movement of small crafts on the Solomon Islands-PNG border is still enforced as part of the Emergency Powers (COVID-19) Regulation 2020.
- First two repatriation flights took place on the 26th and 27th May 2020 with two more scheduled for the end of this month and beginning of next month. All will be subjected to 14-days quarantine in Quarantine Stations (QS).
- Government through the Oversight Committee continues with its weekly Sunday Radio Talk Back Show based on the messaging strategy of 'UMI TUGETA AGAINST COVID 19'.
